919 Third Avenue  
New York, NY 10022

**Focuses on high-stakes commercial disputes, patent litigation, and appeals.**

Natalie has successfully represented innovators and leading technology companies in disputes involving a broad range of technologies, including telecommunication networks and devices, internet and software applications, location tracking, audio and video processing, pharmaceuticals and consumer products. She leverages her background in engineering to simplify complex technology in a way that is easily accessible to judges and juries.

Natalie also has significant experience with IP due diligence, licensing and opinion work.

Before joining Schulte, Natalie was a partner at an AmLaw 100 firm.
