2012 Distressed Investing M&A Report

January 10, 2013

The SRZ *Distressed Investing M&A* report, produced in association with mergermarket and Debtwire, was highlighted on The Harvard Law School Forum on Corporate Governance and Financial Regulation blog. The post provides an overview of the SRZ report, which examines the outlook for distressed M&A activity over the next year. Based on a series of interviews with investment bankers, private equity practitioners and hedge fund investors, the report also provides insight into pricing, litigation, club deals and various other issues concerning the distressed M&A community.
