Employer Concerns – COVID-19

The Hedge Fund Journal

April 2020

As COVID-19 spreads across the globe, employers must act quickly while continuing to comply with applicable employment laws and the evolving guidance put forth by various government agencies. This piece covers some of the main issues facing employers and guidance on what employers can and cannot do. In this article, partners Mark Brossman and Ronald Richman, special counsel Donna K. Lazarus, Scott Gold and Melissa Sandak and associate Max Garfield outline key issues facing employers in the wake of the COVID-19 pandemic.
