SRZ Special Counsel Randall Adams Discusses Ongoing Pro Bono Work with Justice for Greenwood on Tulsa News & Talk Radio

August 29, 2022

SRZ special counsel Randall Adams was interviewed by Tulsa News & Talk Radio to discuss the firm's ongoing pro bono efforts with Justice for Greenwood, the survivors of the 1921 Tulsa Race Massacre and Damario Solomon-Simmons.

"It's very much a David-and-Goliath situation, it's the entire establishment of Tulsa against Damario and the survivor plaintiffs," Randall noted. "We're here to give them backup, and support the people and civil rights leaders of the community."
