SRZ Partner Boris Ziser Featured in *Markets Insider*: “Gold Rush”

October 24, 2022

In a recent *Markets Insider* article by Jack Newsham, Schulte Roth & Zabel partner Boris Ziser discussed the concept of allowing non-lawyers to own equity in law firms, which, in the U.S., is only legal in Arizona, Utah and Washington, D.C.

Boris believes the concept is a “win-win-win,” benefitting lawyers, clients and funders. It allows lawyers to focus solely on their practice, rather than also handling the marketing and operations of the firm. Clients also know that the firm is being well managed by business professionals.
