WiS Week 2023 – “Cracking the Code: Innovation for a Gender Equal Future”

Join Women in Securitization (WiS) during WiS Week 2023, occurring in cities across the U.S. between March 27 – 31.

WiS, in support of the UN Women’s theme of “Cracking the Code: Innovation for a Gender Equal Future,” is pleased to present four opportunities to hear panel presentations from and network with accomplished women in the industry.
