

EVENTS

Risk Regulation & Enforcement in FinTech

The Forum is an exclusive gathering of specialized professionals. It does not feature traditional presentations, but hinges on the active participation of all involved. Selected by a Steering Committee of distinguished peers, each group of like-minded participants engages and shares the wealth of their expertise over two days of off-the-record, roundtable discussion and debate

May 9, 2022 - May 11, 2022
