Schulte associate Sabrina Singh selected as 2024 Brooks Burdette Fellow

July 3, 2024

Schulte Roth & Zabel is pleased to announce that after a rigorous application process, the Pro Bono Committee has selected Sabrina Singh as the 2024 Brooks Burdette Fellow. While continuing to receive full pay and benefits as a Schulte employee, Sabrina will be fully embedded for six months Partners in Health (“PIH”).

For over three decades, PIH has fought injustice by providing care first to those who need it most. PIH delivers high-quality healthcare and social services in some of the poorest corners of the world. By partnering with local governments and communities to design and deliver public health programs, PIH has emerged as the global leader in delivering health services in poor and under-resourced settings.

As the 2024 Fellow, Sabrina will support PIH in several ways, joining PIH's small but mighty in-house legal team. The PIH legal team supports all PIH healthcare delivery and university sites across PIH's global footprint. The Fellow reviews contracts and memorandums of understandings associated with PIH programs, responds to legal questions from the global PIH community, and reviews policies and procedures through the lens of regulatory compliance. The Fellow will assist with special projects, review and advise on new and evolving legal requirements affecting PIH sites, and work with donors and collaborators in support of PIH's mission.

Sabrina is a second-year real estate associate. Since Sabrina joined the firm in March 2022, Sabrina has worked with more than 13 pro bono clients, managing lease negotiations and real estate finance, construction finance, licensing and purchase and sales transactions, as

well as working on amicus briefs, participating in immigration clinics and supporting survivors of domestic violence in their divorce proceedings. Sabrina received her J.D. from Fordham University School of Law in February 2022, where she began volunteering for the ACLU's ICE Detention Center Bail Release Application Project, the Emmanuel Cancer Foundation and Elijah's Promise Soup Kitchen. Prior to law school, Sabrina worked for Habitat for Humanity in Chile.
