# Schulte Advises Client in Major Commodities Acquisition

**August 14, 2024**

Schulte Roth & Zabel represented its client in a transaction that will infuse substantial investments into the operations of a premier producer of an essential commodity used in the production of steel. The landmark deal is critical for both regional stability and global development.

The complex transaction required a top tier team able to adapt and execute throughout all stages of the deal process, and the depth and breadth of Schulte's team delivered. The firm-wide efforts traversed the Mergers & Acquisitions, Finance, Tax, Environmental, Business Reorganization, Litigation, Intellectual Property, and Real Estate working groups and included the following lawyers: Damian Petrovic, Ross Karlik, Ngoc Pham Hulbig, Mario Christofer Kranjac, Julia Cummings, Gregory Ruback, Eric Oh, Joseph Reich, Jake Gach, Theodore Keyes, Doug Mintz, Reuben Dizengoff, Julia Beskin, Alexander Kim, Steven Appel, Ian Levin, Scott Gold, Seth Henslovitz and Lance Kodish.
