Schulte partner Kelly Koscuiszka featured on “The Alternative Data Podcast”

December 16, 2024

Schulte Roth & Zabel co-chair of the Investment Management Regulatory & Compliance Group Kelly Koscuiszka was featured on the latest episode of “The Alternative Data Podcast,” which was recorded at the recent Neudata Winter Summit. Kelly and her fellow panelists discussed innovation in datasets, the effects of Large Language Models, regulatory strategies under the new US administration, consolidation trends within the industry and the organizational structure of hedge funds.

“The Alternative Data Podcast” explores the latest developments in the sector and examines the new data sources being used by investors to gain a competitive edge.
